

One to Two-Unit Office Space with View of Oakland City Hall!

We have one or two units of office space we are looking to sublease inside our six-unit suite. We are located in the Historic Central Building in Downtown Oakland which offers security, bike storage, showers, and other amenities. We are also directly in front of the 12th Street/Oakland BART City Center Station. Each office space is approximately 300 square feet and rent is \$1500/month (per office, so \$1,500 for one, or 3,000 for the two) which includes Wifi. Both offices have nice views of Oakland City Hall. Please feel free to contact me via email, helen@oakimmigration.com or at (510) 922-0261 if you are interested in renting this space.

(Please ignore the privacy screen which will be removed for a subletter).
