

The Board of Directors of

Survivors International

cordially invites you to a reception featuring

Dr. Steven Miles,

*Author of an important new book, **Oath Betrayed,***

In conversation with

Marc Shaffer,

independent film maker and producer of

Expose: America's Investigative Reports

DATE: *Saturday, May 10th*

PLACE: *American Civil Liberties Union (ACLU)*

39 Drumm Street, San Francisco

TIME: *5 pm to 6:30 pm (Cocktail Reception 5pm; Program 5:30pm)*

Suggested Donation: \$25-\$100

Dr. Miles, a Bioethicist, is best known as an outspoken physician-critic of the medical profession in its complicity with torturers in the war on terror. A Professor of Bioethics at the University of Minnesota he has amassed the largest existing database on the subject of American Torture, which he makes available to the public on the internet. Copies of the book will be available for purchase at the event, and Dr. Miles will be available for book signing at the conclusion of the formal program.

For additional information and to RSVP, please contact Morgan Kerchner at (415)546-2080 or mkerchner@survivorsintl.org.

We hope you can join us!
