### Immigration Center for Women and Children

The Immigration Center for Women and Children (ICWC) seeks a full-time staff attorney for our San Francisco office, to handle a mix of affirmative and defensive cases.

ICWC is a non-profit legal organization providing affordable immigration services to underrepresented immigrants in California. ICWC strives to provide security and stability for children who are abused, abandoned or neglected and for immigrants who are victims of domestic violence, sexual assault and other violent crimes. The offices primarily work with federal immigration laws that allow victims to apply for work authorization, travel visas, humanitarian parole, permanent residency, and citizenship. More information about ICWC is available at [www.icwclaw.org](http://www.icwclaw.org).

### Duties and Responsibilities:

The staff attorney will be responsible for providing direct immigration legal services to victims of domestic violence, sexual assault and other violent crimes. The attorney will provide relief under Special Immigrant Juvenile Status (SIJS), the Violence Against Women Act (VAWA), the U visa, and Asylum. Duties include: conducting client intake, case assessment, and ongoing case management; researching and drafting legal documents; attending court hearings; and regularly using Microsoft Office/Outlook, Cerenade (e-Immigration Air) software and forms, and Google Drive. The attorney will work with other attorneys and support staff. The attorney may also supervise law students and/or other volunteers. The attorney will work collaboratively with social service and law enforcement agencies.

The staff attorney will also represent non-detained immigrants in removal proceedings. Representation may include all stages of removal proceedings: in both immigration court and the Asylum Office, appeals to the Board of Immigration Appeals, applications with the United States Citizenship and Immigration Services, release planning with social service agencies, and liaising with criminal defense attorneys. Most of ICWC's removal work is through membership with the SFILDC - the San Francisco Immigrant Legal Defense Collaborative.
